The Treatment Action Campaign (TAC) would like to invite submissions for the cover page of its Youth and HIV Issue of Equal Treatment. Equal Treatment is the magazine of TAC and has a wide readership across Southern Africa. For our first issue focusing specifically on youth we are looking for photographs and/or illustrations and/or other types of graphics for the cover page. Although the issues in the magazine focus specifically upon HIV, we are open to creative submissions of almost any kind. The successful submission will be chosen for its youth-appeal, its positive and interesting messaging and its style. For examples of previous copies of Equal Treatment, please see our website at www.tac.org.za/et.html.

Specifications:

Full Colour or B&W

21cm wide x 18.5 cm long

Electronic submission is preferred, although if high quality scanning is possible on final product it will be accepted

Deadline: February 25th, 2008

Award: R1000

Please send all submissions to jogorton@gmail.com
