Oh! I Was Sitting in the dark dying of Aids.

Zackie arrived, arrived MSF to set me free.

They set me free

I didn't know about this TAC.

Then Siphos arrived and taught me

I didn't know anything about the anti-retroviral drugs until MSF came to educate me

They set me free

Oh! Come, come mother, come father, come sister, together with your big brother.

We are going to defeat HIV

Defeat it.....HIV
