TAC staff and members in the Mopani, Limpopo picketed at Giyani in Kholehala Village as part of events to commemorate World AIDS Day.

The picket was organized to follow up on the memorandum handed over to the Mopani Department of Health in July of 2009 as part of TAC's resources for health campaign to meet the targets of the National Strategic Plan (2007-2011) for the treatment and prevention of HIV and TB. Click on the video to watch footage of the picket and listen to the statements of TAC Limpopo Provincial Coordinator, Lawrence Mbalati.
