TAC Khayelitsha was honoured on the 12th March 2010 by the department of health for being the NGO organization with the most condoms distribution in the Western Cape.

TAC was awarded a certificate of excellence by the Western Cape Department of Health. The award was accepted by our dedicated condom distributor coordinator Thobela Vika.

TAC Khayelitsha alone distributes 500 000 thousand condoms a month throughout Khayelitsha. In 2009 we distributed 8 million condoms all together to help reduce the infection rate in the district. A condom drive known as Super Saturday takes place every 2nd Saturday of the month and a condom distribution happens every second Thursday of the month, where all the different sectors and programmes assist to distribute condoms. These condoms are distributed at schools, shebeens, hair salons and taxi ranks to reach the masses.

This would not have been achievable if it weren't for our hard working comrades at the district. Amandla!!!
