

A Tribute to our Comrade and Friend, Thulani Thabethe.

It is with deep sadness that we inform you about the passing of Comrade Thulani Thabethe. We wish the Thabethe family strength and fortitude during this difficult period.

Thulani was a member of the Treatment Action Campaign (TAC) in good standing, residing in Ekurhuleni, Gauteng province. He has been a member of the organisation for 8 years, having joined in 2016. Comrade Thulani was an active member of the Tembisa 2 branch where he served as a men's sector representative. Comrade Thulani was a devoted and independent comrade who always showed active participation.

TAC has lost a leader and his death has created an enormous void in the movement.

We will always remember Comrade Thulani as a kind, humble, and gracious leader who always put others before himself.

We reiterate our deepest, heartfelt condolences to his family, extended family, friends, and comrades in TAC.

Sithi akwehlanga lungehlanga!

Hamba Kahle Gabane. Go well son of the soil. May your struggle live on.

Rest in power.
